

# LIMEPORT A.A. NEWS 11/12/18

Hello again Limeport A.A. Members. The Staff of Limeport A.A. News gives a huge **THANK YOU** to all the members who helped make our Bike Raffle another success.

Seen here is our happy winner, long time club member, (loooooong time member!) “Papa” John, who opted for the cash as he already has a sweet ride, although that Indian Scout had to be tempting. For the full list of winners check out the Limeport A.A. face book page. As said, thanks to you all who support our club as we continue to work to finding a new home.

The Raffle itself was a great time, and much thanks to Dave and his band “All Angles” for steppin up and in and putting on a great jam. The food was de-lish and we have decided to stick with 2 tickets for food, beverage and band. Don’t think you’re going to find a better deal than that around here.

In other news: Congrats to **BILL** and **DENA** for winning the **SEASON** Limeport A.A. Horseshoes and also to **BARRY** and **WALT** for winning the playoffs. Again, Much thanks to the Palm Legion for being such great hosts to our league.

The Christmas Party is just around the corner and we’re hoping to see a lot of our friends before we go into hibernation. This Christmas Party will also be the beginning of a new thingy the board has come up with to make it a little more thrilling to come to a Limeport event. Starting at the Christmas party, every time a club member attends a sanctioned event (pretty much everything, but the leagues) they will receive a ticket to be put in a raffle for valuable prizes at the next Christmas Party in 2019. Show up at an event, get a ticket (leagues exempt).

Comin Up, Check out our events schedule for the Toy Run, Christmas Party and Bowling.

We had some sad news recently, the passing of a long time member and friend, “Fat” Jack. Not only a long time member, but also an officer and supporter of our club for many years. As one friend said “Meeting Jack for the first time was a memory you don’t forget”.

Ride in Heaven Brother with our Friends who left before us. God Bless and Ride Safe.
